

ASSOCIATE MINISTER (CHURCH PLANTING RESIDENCY)

This is a new role at Orange Evangelical Church. It would suit a man who is a new graduate or recent graduate. They would be committed to reaching Australia for Christ through church planting. The position is split into two areas:

- a. OEC Associate Minister: Serve across OEC as part of the mission, vision and values of OEC, with a particular focus on engaging newcomers and the local Orange Community
- b. Church Planting Residency: Trained at OEC in preparation to be sent as a church planter.

The associate minister will have excellent people skills, an ability to oversee large ministry systems, skills in expositional preaching and the ability to launch new initiatives. They will undertake training in planting, preaching, leadership and evangelism at OEC.

ORANGE EVANGELICAL CHURCH

Mission

We believe that Jesus gave our church its purpose when he commanded his disciples to go and make disciples. OEC's mission statement is: 'Making Disciples of Jesus — God's people taking God's message with God's help to Orange and beyond'. Every ministry that we undertake is directed toward the purpose of helping people to believe in and follow Jesus Christ.

Values

The values expressed below are a practical application of the [OEC Statement of Belief](#)

We are people gathered by Jesus Christ and united by His Spirit. Jesus is Lord of all and therefore everything we do is subject to His authority and dependent on His power. Our desire is to see people in Orange submit to Jesus' Lordship.

The Bible, God's word, proclaimed by us and applied by His Spirit is unashamedly at the centre of every OEC church gathering and ministry. We speak His truth in love, depending on God in prayer to change and grow us to be more like His Son.

The love of Christ compels us to go in His strength with His Gospel to seek and save the lost and make disciples. That is, to nurture and grow those He saves to maturity, so that old and young, married and single would become the people God created them to be, doing the good works He prepared for them to do.

God's grace compels us to live thankful and joyful lives of service with a generosity of spirit that reflects His incredible generosity to us.

Our plans are not an end in themselves but are undertaken in our desire to be faithful fellow workers with God in the ministry He has given us to do here in Orange and beyond. We are committed to gathering together weekly so as to spur one-another on to love and good deeds. We do so looking past the present to that day when a multitude beyond number gather around the Lord in heaven.

Our prayer is that God will use us to add many to that number from the city of Orange, and that God will use us to encourage fruitful Gospel growth in OEC, Orange and beyond.

History and future challenges

OEC commenced meeting on the 17th September 1995 ministering to approximately 90 people. OEC was begun by local people as an independent church committed to the Bible as its foundation for what we believe and how we live. OEC's history can be thought of in three stages:

Stage 1—establishing | 1995 - 2005

OEC had a vision for growth, and expanded to three congregations by 1999

Stage 2—building | 2005 - 2022

OEC expanded further to four congregations with multiple ministries currently reaching approximately 800 people. OEC opened its Ministry Centre in May 2022 to support its ministries.

Stage 3—transition to future ways of fulfilling our mission | from 2022

From 2022 OEC will transition into a new phase after it moves into its new ministry centre and different opportunities to do Gospel ministry open up.

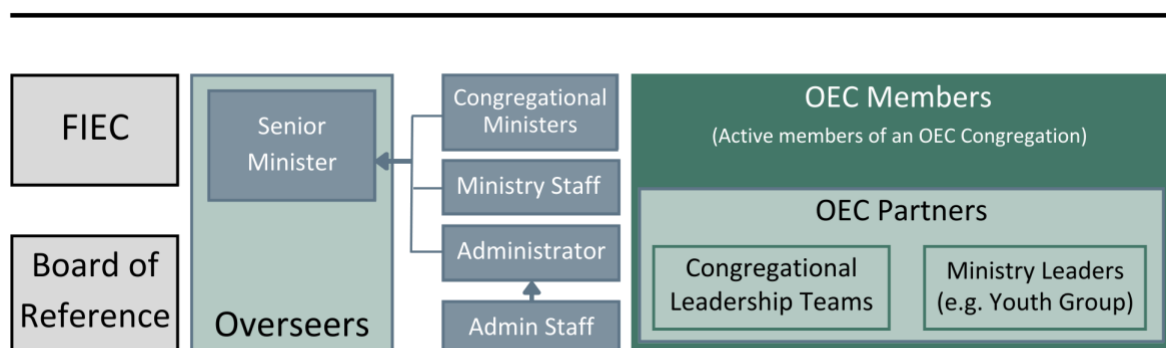

Fellowship

OEC is as an independent church which has developed strong links with other Christian organisations. OEC is a member of the Fellowship of Independent Evangelical Churches. We support and work with Western Plains Christian Convention; AFES (Australian Fellowship of Evangelical students); MTS (Ministry Training Strategy) and numerous mission organisations including CMS and Compassion.

Organisation structure

OEC is structured as follows:

GOD

Orange Evangelical Church (OEC) Incorporated has been established under the Associations Incorporation Act 2009 (NSW) to run the affairs of Orange Evangelical Church. OEC's constitution can be found [here](#).

Paid ministry staff, which includes Ministers of congregations, work under the direction of the Senior Minister and assist him in leading and teaching the church in accordance with the Statement of Beliefs and Statement of Purpose.
